

ENVIRONMENTAL LAW SOCIETY PANEL DISCUSSION

MONDAY APRIL 6TH AT NOON
ROOM 328, WATERMAN HALL

Jointly sponsored by the Environmental Law Section of the Arkansas Bar Association

CHANGING CLIMATE Adapting to New Regulations

Fossil fuel-fired power plants are the largest source of greenhouse gas emissions. The federal Clean Power Plan would require Arkansas to reduce these emissions by 44% by 2030. Come hear the distinguished panelists discuss the challenges and opportunities for the state.

Food and drinks will be served. CLE credit offered.
