LEARN TO KAYAK!

• AN INTRODUCTION TO PADDLING.

Siloam Springs Kayak Park from 10am-2pm

Have you ever wanted to try different boats, and learn effective paddling strokes? Here is your opportunity! The Arkansas Canoe Club will have certified instructors from the American Canoe Association, giving 15-20 minute instruction on effective paddling. You pick out the boat you want to try, and an instructor will assist you for the short course. After the 20 minutes, give your new found skills a try, as you go down river through the two rapids at Siloam Springs. Learn effective paddling techniques, and come have fun!
